Hi Andrew,

Just a thought came to me as I was reading the Yu et al 2015 (Swenberg's group) latest paper.

In the introduction part of the Yu et al., 2015 paper, the authors cited 5 comments from NAS review on EPA's 2010 draft. The third one goes like this

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

I am just wondering whether you are aware of this being addressed anywhere.
